## **LEAD DESIGNER, ISOLARY**

2014–PRESENT

Working with the team at ISOLARY on a wide variety of projects including: UI design, UX design, branding, graphic design, marketing campaigns, web design, photography, motion graphics, content strategy, front-end development, enterprise application design, and digital product design.

Held multiple roles across numerous projects including handling correspondence with clients regarding project status, needs, and requirements. Presented many solutions, delivered related assets, and implemented features as part of an iterative design/development process.

## **FREELANCE DESIGNER**

2012–PRESENT

Partnering with small to medium sized businesses on projects including branding, web design, advertising, packaging, and general strategic consultation.

## **DESIGN INTERN, FACTORY NORTH**

AUG 2017–NOV 2017

Partnered with FACTORY NORTH to work with the non-profit organization known as HARPER'S PLAYGROUND. Collaborated with both teams to create and implement a comprehensive brand guide including digital tools, collateral, and website design.

## **FREELANCE PHOTOGRAPHER, VIDEOGRAPHER**

2013–PRESENT

Specializing in portraiture and event photography. Worked on various product shoots involving high-quality post-production standards and techniques. Filmed dozens of events with the ELEGANT CINEMAS team. Contributed many hours in post-production as an editor.
